"I never dreamt that I would get to be  
The creature that I'd always meant to be  
But I thought, in spite of dreams  
you'd be sitting somewhere here with me."

#### ABOUT THE TYPE

*The Grand Campaign* was written and edited using *Microsoft Word 5.1* on a Macintosh Powerbook. The book pages were laid out using *PageMaker 5.0* on a Quadra 840av.

All of the typefaces used in the *Grand Campaign* are Abode originals. The text face—Minion—was designed by Robert Slimbach

and based on type of the late Renaissance. Trajan (used for larger headers) was created by Carol Twombly, and based on the *capitalis monumentalis* letterforms of the Trajan inscription in Rome. Finally, some illustrations are labelled in Herculaneum.
